4 Mat have been custom building PC's for years. If you need a new PC, but are not sure exactly what's required come in and talk to us.

As we build all computers to specification, you can get exactly what you need. Not what is only available.

We will build a PC with high quality branded products, that are fast and reliable.

All computers come with a one year parts and labour warranty.

Below are some system prices. These are for demo purpose and are not set systems, these systems can be altered to suit.
